No. 6/2023-February

This publication has been produced with the support of the European Union. The content of this publication is the responsibility of the Joint Technical Secretariat and does not necessarily reflect the official position of the European Union or the management structures of the Romania-Ukraine Joint Operational Program 2014-2020.

The city of Isaccea implements the Project "CBConnect Trans - Development of a cross-border intermodal connection between Isaccea-Orlivka-Tulcea-Izmail"

Within the Joint Operational Program Romania - Ukraine 2014-2020, UAT Isaccea , on 01.02.2023, the project partners from Izmail , organized a first meeting of partners at the level CONSORTIUM in which they discussed issues related to the project , especially the stage of procurement, those related to infrastructure (acquisition of technical documentation , technical projects for works, procurement of execution of works, procurement of equipment where appropriate).

In February, the procurement plan was launched for the creation of a capacity building program for the CBConnect Trans project, and on 13.02.2023, the contract for the provision of services in this regard was concluded.

The CBConnect Trans project aims to strengthen the transport facilities in Tulcea counties (the modal transport section between the cities of Isaccea and Tulcea) and the Odessa region (the modal transport section between the city of Izmail and the town of Orlivka), by developing mobility systems dedicated to the population of the eligible area , by developing multimodal transport connections (road/water) and increasing the number of crossings through the Isaccea-Orlivka cross-border customs point , Investment Priority 3.1-Development of cross-border transport infrastructure, Thematic Objective 7-Improving accessibility to regions, development of networks and systems transport and communication.

Within the project, converging activities are expected to improve the road infrastructure and river transport facilities for passengers and goods in the Isaccea - Orlivka - Izmail area, complementary to the modernization of civil and commercial traffic monitoring systems at the border crossing points, respectively the promotion territorial cohesion between Tulcea county and Odessa region.

1. "Rehabilitation and modernization of 0.9 km of access road and installation of public road lighting";
2. "Rehabilitation of the wholesale market"
3. "Installation of the traffic monitoring system"
4. "Trans Hub Isaccea construction rehabilitation - modernization of the information center for transport".
