### **The city of Isaccea implements the Project "CBConnect Trans - Development of a cross-border intermodal connection between Isaccea-Orlivka-Tulcea-Izmail"**

Within the Joint Operational Program Romania - Ukraine 2014-2020, in March the advertisements were published for the procurement of service contracts for the investment objectives "Rehabilitation of the wholesale market", "Rehabilitation and modernization of 0.9 km of access road and installation public lighting for the roadway", "Rehabilitation of Trans Hub Isaccea construction - modernization of the information center for HUB transport", "Installation of the traffic monitoring system", in order to complete them.

The CBConnect Trans project aims to strengthen the transport facilities in Tulcea counties (the modal transport section between the cities of Isaccea and Tulcea) and the Odessa region (the modal transport section between the city of Izmail and the town of Orlivka), by developing mobility systems dedicated to the population of the eligible area, by developing multimodal transport connections (road/water) and increasing the number of cross-border customs crossings.
