No. 15/2023-November

This publication has been produced with the support of the European Union. The content of this publication is the responsibility of the Joint Technical Secretariat and does not necessarily reflect the official position of the European Union or the management structures of the Romania-Ukraine Joint Operational Program 2014-2020.

The city of Isaccea implements the Project " CBConnect Trans - Development of a cross-border intermodal connection between Isaccea-Orlivka-Tulcea-Izmail "

Within the Joint Operational Program Romania - Ukraine 2014-2020, U.A.T. The city of Isaccea participated on 31.10.2023 in the fifth online meeting, held by the Executive Committee of the Izmail City Council, a meeting that took place with all project partners, in which the following were discussed:

- 1) Stage of implementation of infrastructure components by all partners;
- 2) The development stage of the cross-border Strategy in the field of transport;
- 3) The implementation of events within the project in RO and AU:
 - planning the first strategy meeting in Ukraine;
 - planning the two strategy meetings in Romania and Ukraine;
 - planning the final conferences in Romania and Ukraine.
- 4) Visibility materials by all partners
- 5) Conclusions

The stage of implementation of the infrastructure components

LB mentioned that all purchases have been made, except for equipment, for which some items are still to be procured.

The status of the works is:

- Hub – 90%
- Gross market - 50%
- Monitoring system – up to 80%
- Road – 70%

Visibility materials

A lot of material was contracted and made by LB. in addition, the final conference will take place in December, after the completion of all infrastructure components. All materials must comply with the visibility requirements established by the Program.

The Romania-Ukraine Joint Operational Program 2014-2020 is funded by the European Union, through the European Neighborhood Instrument (ENI). The program addresses the area on the border between Romania and Ukraine and will contribute to achieving the general objective of the European Neighborhood Instrument: the evolution towards a region of prosperity and good neighborliness, achieved through cross-border cooperation actions for the benefit of Member States and non-EU neighbors.

The city of Isaccea

The European Union is made up of 27 Member States that have decided to gradually pool their knowledge, resources and destinies. Over 50 years of territorial expansion, they have built together an area of stability, democracy and sustainable development, while preserving cultural diversity and individual freedoms. The European Union is dedicated to the idea of sharing achievements and values with states outside its borders.
