No. 10/2023-June

This publication has been produced with the support of the European Union. The content of this publication is the responsibility of the City of Isaccea and does not necessarily reflect the official position of the European Union or the management structures of the Romania-Ukraine Joint Operational Program 2014-2020.

The city of Isaccea implements the Project " CBCConnect Trans - Development of a cross-border intermodal connection between Isaccea-Orlivka-Tulcea-Izmail "

Within the Joint Operational Program Romania - Ukraine 2014-2020, UAT Isaccea participated on 14.06.2023 in the fifth meeting according to activity 1.1 Project management and monitoring of project activities. The meeting was organized online and all partners attended, along with the JTS Monitoring Officer.

The subjects of the meeting were in particular the possibility of modifying the project by including another road section on the Ukrainian side, at the B2 partner (Izmail), which is proposed to be rehabilitated, as well as the possibility of the purchase and transfer of boats by the Romanian partners.

Also, the evolution of the approval of the current request for additional act was discussed as well as the future actions of each partner.

On 15.06.2023 an online Zoom meeting was held with the BRCT monitoring officer on issues related to the relevance and design of the project, the efficiency and effectiveness of implementation to date, impact perspectives, potential sustainability and visibility .

Within the project, converging activities are expected to improve the road infrastructure and river transport facilities for passengers and goods in the Isaccea - Orlivka - Izmail area, complementary to the modernization of civil and commercial traffic monitoring systems at the border crossing points, respectively the promotion territorial cohesion between Tulcea county and Odessa region.

1. "Rehabilitation and modernization of 0.9 km of access road and installation of public road lighting";
2. "Rehabilitation of the wholesale market"
3. "Installation of the traffic monitoring system"
4. "Trans Hub Isaccea construction rehabilitation - modernization of the information center for transport".

The Romania-Ukraine Joint Operational Program 2014-2020 is funded by the European Union, through the European Neighborhood Instrument (ENI). The program addresses the area on the border between Romania and Ukraine and will contribute to achieving the general objective of the European Neighborhood Instrument: the evolution towards a region of prosperity and good neighborliness, achieved through cross-border cooperation actions for the benefit of Member States and non-EU neighbors.
