The city of Isaccea implements the Project " CBConnect Trans - Development of a cross-border intermodal connection between Isaccea-Orlivka-Tulcea-Izmail "

Within the Joint Operational Program Romania - Ukraine 2014-2020, UAT Oraş Isaccea participated on 03.08.2023 together with all the project partners in the online meeting that was held at partner B3 (Executive Committee of the Izmail City Council) and had subject of clarifying the strategy plan and future activities.

On 29.08.2023 and 30.08.2023, the second information seminar took place at the partner in Tulcea within the framework of the project, in which the evolution of the works up to now was presented, as the opinion was asked about the monitoring system to be placed, as well as about the importance of granting the General Data Protection Regulation (GDPR).

All the works are being executed, it is aimed to launch the procurement procedures regarding the equipment for the objectives "Rehabilitation of the Trans Hub Isaccea building - modernization of the transport information center" and "Rehabilitation of the wholesale market".

In the next period, we want to plan the first strategy debating action for Romania-Ukraine cross border cooperation in transport area, together with the project partners.

Within the project, the following objectives are expected:

1. "Rehabilitation and modernization of 0.9 km of access road and installation of public road lighting";
2. "Rehabilitation of the wholesale market"
3. "Installation of the traffic monitoring system"
4. "Trans Hub Isaccea construction rehabilitation - modernization of the information center for transport".
