The Romania-Ukraine Joint Operational Program 2014-2020 is funded by the European Union, through the European Neighborhood Instrument (ENI). The program addresses the area on the border between Romania and Ukraine and will contribute to achieving the general objective of the European Neighborhood Instrument: the evolution towards a region of prosperity and good neighborliness, achieved through cross-border cooperation actions for the benefit of Member States and non-EU neighbors.

The city of Isaccea

The European Union is made up of 27 Member States that have decided to gradually pool their knowledge, resources and destinies. Over 50 years of territorial expansion, they have built together an area of stability, democracy and sustainable development, while preserving cultural diversity and individual freedoms. The European Union is dedicated to the idea of sharing achievements and values with states outside its borders.
